Planning

W/15/0220 Furling, Canada Lane

Following discussion, it was agreed that Norton Lindsey Parish Council has no objections to the proposed building work and is sympathetic to the proposed field boundary, but would express concerns with the extensive landscaping that has already taken place in the conservation area and the lack of clarity concerning intentions regarding the Canada Lane boundary.

Other Matters

The Clerk took the opportunity to advise NLPC that she had recently accepted the position of Clerk and Responsible Financial Officer to Bearley Parish Council. She assured the Councillors that this additional employment would not impact on her position with NLPC.
